

# Understanding FAA WINGS - and How to GET YOURS!

Ron Berinstein "Mr. WINGS." will address how YOU can BECOME a MASTER PILOT, achieve the goals you want to achieve, and How Wings Can Help. He has a prepared presentation that describes the program, but via an open forum, he will address any question you have, about advancing pilot preparation and GA safety. Even Flight Instructor's can renew their CFI via the FAA WINGS Program, and the ONLY FAA Issued MASTER PILOT WINGS are awarded to GA Pilots via the FAA WINGS Pilot Proficiency Program.

**Directions:** Enter the airport area at the Osborne St. main entrance near the intersection of Osborne and San Fernando Road. Plenty of free parking. Drive to far end of lot near Airport Manager's office.
